

Your full-service

HR compliance, support and strategy solution

**One trusted partner.
Endless peace of mind.**

Lean on the expertise of a trusted HR partner to build programs, policies and simpler processes. With HR Complete, you'll get all the perks of a dedicated full-time HR partner without the headcount and price tag.

How can HR Complete benefit your business?

Reduce risks and lower long-term HR expenses

Avoid costly pitfalls and establish a more stable future for your company by doing things right the *first* time with an HR partner on your side.

Increase employee productivity and retention

Hand off HR projects to a knowledgeable professional so you can prioritize the employee experience to make your business a better place to work.

Get ahead of compliance requirements

Save time and stress less with automatic alerts and prompt assistance to help you stay in compliance — even when laws and regulations change.

Fumble less and focus more

How does the process work?

After an intake questionnaire and data analysis, your HR partner will design a 12-month improvement plan complete with monthly check-in meetings and quarterly reporting.

What advice will my tailor-made plan provide?

Your HR partner will help you address a variety of important topics:

- Compliance
- Hiring and termination practices
- Employee policies and handbook
- Talent development and more

Plus, your personalized guidance includes access to a robust library of HR resources available 24/7 to help prioritize your daily routine and next steps.
