

# Find and onboard the right talent for your team — fast

## An all-in-one hiring solution at your fingertips

---

### Attracting top-tier talent in a crowded job market is tough for small businesses.

And between administrative tasks and compliance considerations, onboarding new hires can be just as complex. But there's a better way. Auris makes it easier than ever to recruit, hire and onboard the perfect candidates for your team.

#### Improve the hiring process

Select and screen the best candidate faster with just a few clicks, saving valuable time and resources.

#### Protect your business

Reduce legal risks and comply with recordkeeping requirements by securely storing documentation in the cloud.

#### Create a positive onboarding experience

Offer a streamlined, user-friendly hiring process to attract candidates and set them up for success.

#### Take advantage of tax credits

Identify WOTC-eligible candidates at a glance, earning you up to \$9,600 in tax credits per eligible new hire.

# Grow your business with our flexible features

### Applicant tracking

Rely on real-time applicant tracking, narrow your hiring pool with smart filters and get fast, accurate employment screening.

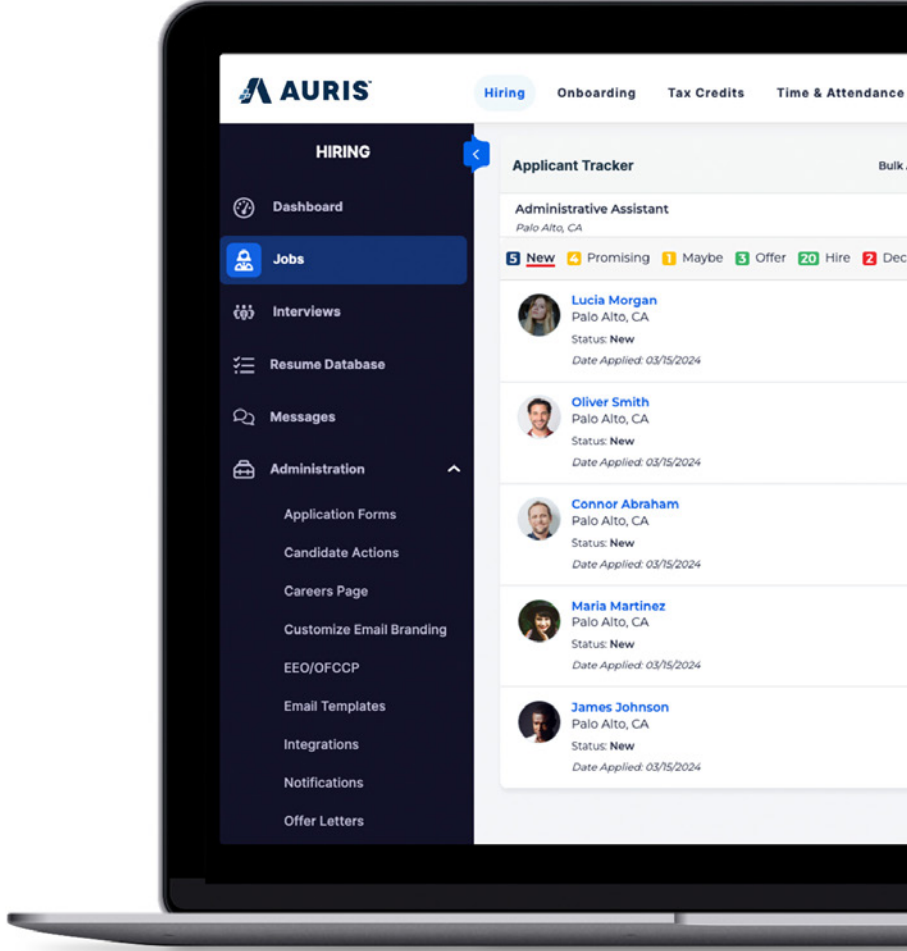

### Electronic onboarding

Make a winning first impression and get new employees up and running fast thanks to paperless, mobile-optimized onboarding.

### Tax credits

Pre-screen WOTC-eligible hires — we'll complete the forms and file the necessary documentation with state workforce agencies for you.
