

One tool, endless possibilities

Business management
for busy entrepreneurs

Get paid faster with a powerful billing, invoicing and payments platform

Payment processing

Take all the ways customers want to pay — cash, card, check, digital wallets and more — in the field or online 24/7.

Hosted payments page

Invite customers to pay through a secure branded payments page that reduces your PCI scope.

Accounting sync

Balance your books with ease thanks to a real-time sync between QuickBooks® Online and Payments Manager+.

Recurring billing

Reduce late payments and improve cash flow with recurring payments that deliver predictable revenue.

Automation

Ditch duplicate efforts and reduce human error by automating invoicing and recurring payments.

Payment links

Send customers secure, convenient payment links via SMS or email.

Take payments
**anywhere,
anytime,
any way**

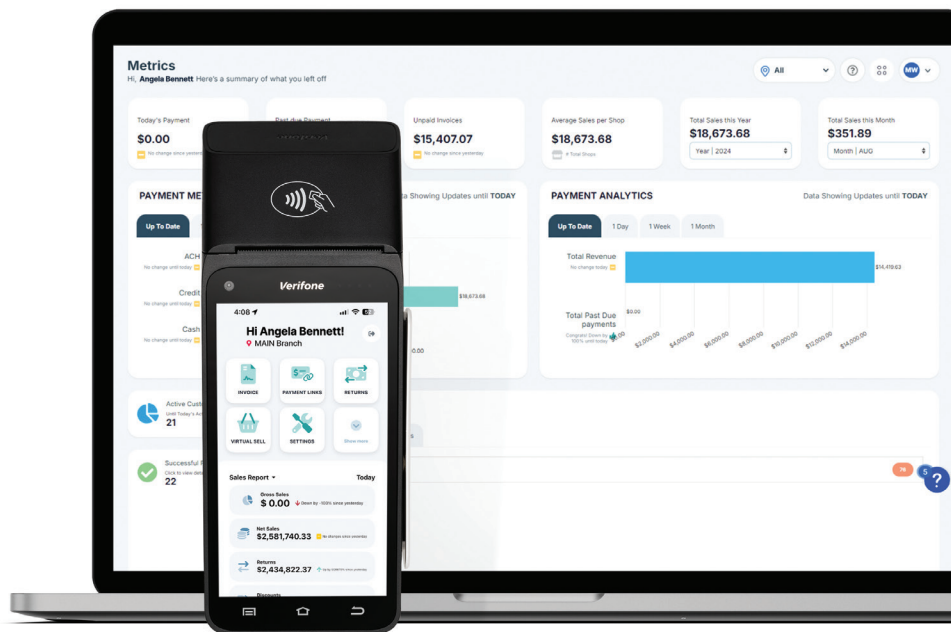

Nearly 80% of consumers
are interested in leveraging
faster payment methods¹

“

**The stress it's reduced
has been huge. I send
out all the invoices with
a couple clicks.**

Katie,
Golden Oak Midwives

Online

Create and send invoices, then
collect payments through a virtual
terminal, available 24/7 on any device
with internet.

On the go

Invoice customers wherever you do
business with a portable handheld
payment device.
